

COLLECTION

Frame

Frame

Elegant, functional and space saving thanks to its reduced depth (25cm).
Modern and linear design of high quality.
The structure is always in aluminium color enhanced by the frame in aluminium striped, while for the front the choice is between glasses, white gloss or bordeaux gloss. Despite the reduced depth, it has a remarkable interior space.
The FRAME helps to make your entrance really chic.

Modern and linear design

Frame 23 | Shoescabinet, flaps with basket for shoes
(Structure: aluminium melamine – Frame: aluminium striped – Front: black glass and white glass – Top: white glass)
