

COLLECTION
Selekt

Selekt

Multipurpose furniture with modern lines. Items of collection SELEKT have a young and innovative style thanks to its modern design and the possibility to combine LED with cupboard and shoescabinets.

The optional choice between grills or shelves for shoes allows to insert your items in any environment and gives it a personal touch.

Umbrella-stands, mirrors and coat-hangers perfectly match with your favourite shoescabinet and will make your entrance unique.

Doors with soft-close
